Charles Erickson was born February 2, 1875, at Heber, son of Eric and Anna Maria Erickson. He married Eva Maria Anderson on October 15, 1921. She was born on April 24, 1879, in Soderkoping, Sweden, daughter of John Peter and Eva Sophia Wahlquist Anderson. Maria died March 4, 1953, and Charles died September 14, 1958.

Eva Maria Althea Anderson came with her parents to Utah, arriving July 7, 1883. She was a small, wiry girl, but that did not prevent her from doing all she could to battle the rigors of reclaiming the land from the wilderness for a home. She accomplished everything she undertook to do.

When she was 16 she worked in Park City and Salt Lake. She had long hours, hard work and small pay. This way she could help her parents get things that were needed for the home. She took a course in sewing and tailoring in Salt Lake and was a fine seamstress.

In her early twenties she cooked for two years on a gold dredge on the Snake River, near Rupert, Idaho, for a Mr. Burroughs from New York state, cooking for the family

and the crew. At the death of Mr. Burroughs she learned he was a brother of Edgar Rice Burroughs, creator of Tarzan.

On her return from Idaho, she attended the University of Utah, taking all studies that would permit her to enter a hospital at Loveland, Colorado, to train for a nursing career. After graduation she returned to Daniel and practiced nursing many years under Drs. W. R. Wherritt, H. Ray Hatch, B. A. and T. A. Dannenberg and Karl O. Nielson. Her wages were not much, but she did very conscientious work with her patients. Many times she was also the "mother" in her patient's home.

She was a beekeeper and enjoyed gardening and served for Red Cross drives in many years.

Always active in the Church, she worked in Mutual, was secretary of the Primary and a president of the Relief Society. She took part in many theatricals.

Her husband was a farmer and stockman. They were the parents of one son, Charles Fredric, born July 31, 1922, at Daniel.

Mrs. Daniels was given an allotment of 160 acres of land by the government. They made their home here and became the parents of four children.

Mrs. Daniels has kept the farm and carried on since the death of her husband. When at home, away from her horse, she listens to the radio. She saddles her own horse, is very alert of mind and spry of body, and although her skin shows her age, she is still straight and sturdy. She has many grandchildren and five great-grandchildren.
